### **CORRECTION - SR 123 to Stevens Canyon Entrance Opening May 25**

Mount Rainier National Park Superintendent Dave Uberuaga announces a correction in the opening date for the portion of SR 123 to the Stevens Canyon Entrance is May 25. In a press release issued on April 12, 2007, May 18 was stated as the opening date for this portion of the highway. That date was incorrect.

The Stevens Canyon Road, the cross-park highway, is not currently open due to damage from the fall storms. Status of this road will be updated in the near future.

The Ohanapecosh Campground and Visitor Center will both open on May 25 and will be staffed daily throughout the summer season.
